INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On December 28, 2004 pursuant to 170 I.A.C. 1-1.1-4, Communications Products, Inc. and Urban Systems, LLC ("Petitioners") filed a *Request for Confidential Treatment of Information* ("Request") in this Cause. In their Request, the Petitioners indicate that certain information that they intend to submit in this matter contains confidential information excepted from public disclosure under Indiana Code 5-14-3-4(a)(4). In support of its Request, the Petitioner includes the sworn *Verification* of Clifford Arellano ("Verification"). The Verification has been placed in the Commission's official file in this matter and is hereby incorporated by reference. The Verification indicates that the financial information at issue is exempted from public disclosure and is the subject of reasonable measures to ensure its secrecy within the business entity. The Verification further asserts that disclosure of the information would create competitive disadvantage to Petitioners.

170 I.A.C. 1-1.1-4 governs the submission of confidential or privileged information to the Commission, and requires the applicant to apply for a finding by the Commission that the information is confidential. The application must be accompanied by the sworn statement or testimony of a party that describes: 1) the nature of the confidential information; 2) the reasons why the information should be treated as confidential pursuant to I.C. 8-1-2-29 and I.C. 5-14-3; and, 3) the efforts the party has made to maintain the confidentiality of the information.

The Presiding Officer, having considered Petitioner's Request and accompanying Verification, finds there is sufficient basis for determination that the Confidential Information should be held as confidential by the Commission on a preliminary basis. Accordingly, Petitioners shall hand deliver to the Presiding Administrative Law Judge, in a sealed envelope clearly marked confidential, with the Cause No. noted thereon, the Confidential Information which shall be treated as confidential on a preliminary basis and excepted from public disclosure in accordance with Indiana Code 5-14-3.

IT IS SO ORDERED.
